

**R E M A R K S**

The Examiner's indication of non-compliance for not providing the entire "Amendments to the Specification" section in the Response filed on February 15, 2008 is acknowledged.

Submitted herewith is a replacement "Amendments to the Specification" section which incorporates the amendments to the specification set forth in the Response filed on February 15, 2008, and in the Amendment filed on October 25, 2007. That is, the "Amendments to the Specification" section submitted herewith replaces the "Amendments to the Specification" sections of February 15, 2008 and October 25, 2007.

No new matter has been added, and it is respectfully requested that the amendments to the specification be approved and entered.

It is respectfully submitted that the amendments are now in full compliance with the requirements of 37 CFR 1.121, and it is respectfully requested that prosecution on the merits now proceed.

If the Examiner has any comments, questions, objections or recommendations, the Examiner is invited to telephone the undersigned at the telephone number given below for prompt action.

Respectfully submitted,

/Douglas Holtz/
